## We need to keep the pressure on politicians & people in Government.

The coalition Government have had a year to fund a pay equity settlement for care and support workers. They leave us waiting, while clawing back sick leave, reviving 90-day trials, and threatening Te Tiriti o Waitangi.

## It's time to step up our response. Join us at Fight Back Together Maranga Ake!

Members from almost every union are coming together at mass hui. We'll send a clear message: **we stand for workers' rights, Te Tiriti o Waitangi, and public & community services for all.**

# Aotea Square, 12-1pm Wednesday 23 October

Put Oct 23 in your diary and tell friends, workmates and whānau.
