## Your work in local government is essential for healthy, thriving, and connected communities.

But the Government has denied councils more funding options, leaving councils to make cuts and you to do more with less. That's on top of scrapping water reform, pushing emergency management and climate change costs onto councils, and attacking Tangata Whenua representation in Māori Wards.

## It's time to step up our response. Join us at Fight Back Together Maranga Ake!

Members from almost every union are coming together at mass hui. We'll send a clear message: **we stand for workers' rights, Te Tiriti o Waitangi, and public & community services for all.**

# Trafalgar Centre, 1.30-2.30pm Wednesday 23 October

Put Oct 23 in your diary and tell friends, workmates and whānau.
